MAKEUP ARTIST, HAIR STYLIST AND VISUAL  
ARTIST  
WWW.NICOLEERTL.COM

## OBJECTIVE

---

To obtain a position as a makeup artist for your production and help conceptualize desired aesthetic looks and concepts.

## SKILLS

---

- Ability to work cooperatively in diverse teams;
- Excellent interpersonal and team work skills;
- Excellent time management and multi-tasking skills;
- Great at filling in for other production roles if need be

## RECENT WORK EXPERIENCE

---

August 2012 Creative Karma Productions Burlington, Ont.  
*Key Hair Stylist and Assistant Makeup Artist*

I had the opportunity to work on a commercial shoot for a Maple Leaf Chicken that will be broadcast on national television. I helped create modern 'Persian', 'Arab' and 'South Asian' looks for men and women. In addition, I also assisted with;

- Providing creative input;
- Maintaining styles, touching up hair and makeup throughout the day;
- Assisting with wardrobe changes and helping tie 'head scarves' and 'hijabs'

July 2012 Krzysztof Pietroszek for BravoTV Toronto, Ont.  
*Director's and Casting Assistant*

I had the opportunity to work alongside the Director and Producer of this shoot during casting for this production. I was also responsible for;

- Checking in ACTRA members and confirming attendance;
- Working efficiently to maintain scheduled audition time;
- Answering any questions actors may have regarding the script;
- Offering and providing input into final casting decisions

Ongoing [www.nicoleertl.com](http://www.nicoleertl.com) Toronto, Ont.  
*Director*

As a makeup artist and hair stylist, I cast and produce all my own creative film and print projects. While on set, I often fulfill the roles of others when they are unavailable. In addition I have dabbled in;

- Assisting clients in conceptualizing their vision into print and film;
- Producing and directing;
